

A person wearing an orange jacket and dark shorts stands on a grassy hill, looking out at a large mountain. The mountain's slopes are covered in a mix of green and golden-yellow vegetation, suggesting a forest with some trees in autumn. The scene is framed by several trees in the foreground, with their trunks and branches visible. The sky is a pale, overcast grey. The overall mood is serene and natural.

STORMTECH®

nurtured by nature

nurtured by nature. built to last.

Born on the rugged West Coast of Canada. Outfitting adventurers since 1977. For five decades, we've built gear engineered for the elements. At the heart of this business is our ongoing passion for product research and development. In an industry dominated by fast fashion, we continue to offer a more compelling alternative: high quality performance products built to last and backed by a 5 year guarantee. As an outdoor brand we are also committed to environmental stewardship and employ technologies and sustainable practices that lessen our impact on our natural environment and extend product life.

The Stormtech Difference

Brand Strength – the Stormtech brand continues to gain strength in international markets as the premium outdoor apparel brand in the promotional products industry. For customers who are new to the Stormtech Brand, we would like to share an overview of the key elements that separate our company from other suppliers in the industry:

PRIVATELY OWNED GLOBAL BRAND

A trusted, family-operated company with a global reputation for quality and innovation, supported by a network of partners in 50+ countries worldwide.

5 YEAR WARRANTY

High-performance apparel and bags backed by a 5-year warranty, complemented by a sustainable product care program to extend product life and performance.

INCLUSIVE SIZING & WOMEN'S FIT

Stormtech offers a full range with specially designed women's companion pieces and inclusive sizing—men's SM-6XL and women's XS-3XL—at no upcharge.

DEEP INVENTORY

Year-round stock availability in diverse styles, sizes (up to 6XL), and colors for immediate shipment from 4+ Distribution Centres worldwide.

ON-TREND DESIGN

Innovative outdoor apparel blending retail-level aesthetics with corporate functionality, offering on-trend styles for any environment.

COMMITTED TO SUSTAINABILITY

Committed to sustainable sourcing, using recycled materials to create high-quality, responsible apparel & bags.

DESIGNED FOR DECORATION

Designed for seamless customization, with tested methods like embroidery, heat transfers, and screen printing.

STYLES FOR EVERY SEASON

Versatile collections designed to cater to all climates, ensuring year-round appeal.

PRODUCTS FOR ALL BUDGETS

A tiered product strategy offering “Great, Better, Best” options to meet diverse customer needs.

ADVANCED TECHNOLOGY

Products built with advanced fabrics and components, ensuring unmatched functionality and durability

Products Built to Last

STORMTECH's Corporate Social Responsibility focuses on responsible sourcing practices, product safety, environmental stewardship, and giving back to local community organizations. 

Products Built to Last

High-quality fabrics and rigorous testing guarantee durability and performance. Stormtech creates timeless, premium quality products designed to endure and reduce environmental impact. All products undergo rigorous quality assurance processes, including extensive lab testing, wear testing, and product safety evaluations. Backed by a five-year warranty, our products reflect our dedication to exceptional workmanship and durability. With our Sustainable Product Care program, we empower customers to maintain and extend the life of their products, combining quality and responsibility for a positive environmental impact.

EcoVadis Recognition

STORMTECH Performance Apparel Ltd. has earned a Committed Badge in their EcoVadis assessment, which is a recognition of their good performance as per the EcoVadis assessment methodology. EcoVadis is recognized globally for trusted business sustainability ratings, evaluated on the following categories:

- Environment
- Labor and human rights
- Ethics
- Sustainable procurement

Responsible Sourcing

STORMTECH is firmly committed to selling products that are manufactured under legal, safe and fair working conditions in factories where employees are treated fairly.

Our Ethical Sourcing Policy is designed to ensure that our global sourcing supply chain operates in compliance with all applicable laws governing child labor, forced labor, wages, benefits, working hours, harassment, health and safety & factory security.

Sustainable Packaging

STORMTECH is committed to the Forest Stewardship Council (FSC) of sustainable sourcing of wood-based fibers, cellulosic fabrics, and paper products in a way that addresses the major environmental impacts associated with deforestation and forests degradation.

Since Spring 2022 all products are packaged with sustainable materials including Oxo-biodegradable bags and FSC® certified cartons. All hang tags and packaging materials are also produced using recycled biodegradable inputs.

Cutting Edge Technologies

Explore the performance technologies behind Stormtech's high-quality apparel and gear, engineered to keep you comfortable, protected, and ready for any condition. 

H2XTREME®

ULTIMATE STORM PROTECTION

Designed to keep you dry from both rain and perspiration, H2XTREME® uses a waterproof membrane to block water and wind, while releasing internal moisture vapour to keep you warm and comfortable.

Thermolex™ Synthetic Down

LIGHTWEIGHT WARMTH WITHOUT THE BULK

High loft, high efficiency Thermolex™ synthetic down developed and tested by STORMTECH is inserted into each quilted panel to a specific fill weight in order to achieve maximum warmth and softness. Engineered to be lightweight and highly efficient in all weather conditions.

Durable Water Repellent (DWR)

WATER RESISTANT FINISH

A protective coating applied to outer fabrics that helps rain and snow roll off instead of soaking in, keeping garments lighter, drier, and more breathable in inclement weather.

H2X-DRY® Moisture Management

NEXT TO SKIN CLIMATE CONTROL

Stay cool and dry with H2X-DRY® moisture-wicking technology. Engineered yarns draw sweat away from your skin and push it to the surface of the fabric, helping regulate body temperature during active use.

CORPORATE SOCIAL RESPONSIBILITY

Sustainability

At Stormtech, our mission is rooted in a commitment to people, planet, and product, a philosophy that guides everything we do. In an industry often dominated by fast fashion, we take a different path, crafting premium, durable apparel that seamlessly blends innovative performance with timeless style. Since 1977, we’ve outfitted adventurers and seekers for extreme conditions, and today, that same dedication fuels our journey to make a positive impact across every facet of our business.

PEOPLE

Our greatest asset is our people, and we are committed to supporting the well-being of our employees, partners, and communities. Worker health and safety remain a top priority across our global supply chain, with robust measures to ensure ethical practices and safe environments. Through initiatives like our Outfitting Futures, we empower youth in need, reinforcing our belief that businesses thrive when they uplift communities.

PLANET

Stormtech is proud to lead with sustainability at the core of our operations. In 2023, we achieved Climate Smart Certification, underscoring our commitment to reducing our carbon footprint. Additionally, our EcoVadis Committed status reflects our ongoing efforts to uphold environmental and social responsibility across our supply chain. With a high score on the Better Buying Purchasing Index (BBPI), we continue to foster ethical and collaborative supplier relationships.

PRODUCT

Every Stormtech product is built to last, combining premium quality materials, cutting-edge performance, and responsible design all backed with a 5-year warranty. We continue to prioritize the use of durable, high-quality sustainable materials, which not only enhance performance but also extend product lifespan, reducing waste and environmental impact. Our 5-year warranty and sustainable product care program are testaments to our belief that quality products should endure and leave a positive legacy.

Our Sustainability Journey

5 Year Warranty

Stormtech proudly guarantees the quality, craftsmanship, and performance of all our products. We are committed to offering the finest products and service available and take the concerns of our customers seriously.

PRODUCTS BUILT TO LAST

Our ongoing commitment to design excellence and exceptional quality standards ensure that our garments withstand the test of time. We use premium materials and rigorous testing to guarantee durability and performance. All Stormtech products are also designed to endure and reduce environmental impact. Every item is crafted using premium materials that undergo rigorous quality assurance processes, including extensive lab testing, wear testing, and product safety evaluations. Backed by a five-year warranty, our products reflect our dedication to exceptional workmanship and durability. With our Sustainable Product Care program, we empower customers to maintain and extend the life of their products, combining quality and responsibility for a positive environmental impact.

PFC'S AND PFAS ELIMINATION INITIATIVE

Stormtech is a leader in eliminating harmful perfluoroalkyl and polyfluoroalkyl substances (PFAS) from its products, reflecting our commitment to environmental and human health. Since our first PFC styles were launched in 2018, we have transitioned in 2020 to 100% PFAS-eliminated waterproof and water-repellent materials with rigorous testing to ensure compliance with our PFAS Prohibition Policy. As we advance this initiative, we remain dedicated to working closely with our suppliers to deliver safe, sustainable, and high-performance products that meet the expectations of our customers.

SUSTAINABILITY ASSESSMENT

Stormtech’s Ecovadis Committed Rating highlights our achievements in sustainable procurement, labor practices, and environmental management. Ecovadis evaluates companies on their Corporate Social Responsibility (CSR) practices, and Stormtech’s rating reflects our commitment to improving sustainability metrics across our global supply chain.

CARBON FOOTPRINT

Stormtech has received Climate Smart Certification, recognizing our systematic approach to measuring and reducing greenhouse gas (GHG) emissions. This program supports our business in identifying emission sources, creating reduction strategies, and tracking progress. The certification demonstrates Stormtech’s commitment to meaningful climate action by adopting data-driven sustainability strategies.

RESPONSIBLE SOURCING

Stormtech’s participation in the Better Buying Partnership Index (BBPI) emphasizes our dedication to transparency and collaboration with suppliers. We achieved an exceptional BBPI score of 91, demonstrating our commitment to responsible sourcing and ethical supply chain practices. This score reflects our dedication to building fair, transparent, and collaborative relationships with our suppliers, ensuring sustainability and respect for workers’ rights are at the core of everything we do.
